### PROFILE

Passionate Frontend Developer with strong motivation and skills, dedicated to crafting outstanding user experiences. Equipped with a solid background in web development and a sharp design sense, I am excited to share my expertise and work alongside a vibrant team. In addition to technical proficiency, I bring valuable soft skills to the table, enhancing my development capabilities. Effective communication and seamless collaboration with team members are among my strengths.

### WORK EXPERIENCE

#### Frontend Developer

November 2023 - Present

PnQ Technologies

- Incorporating new features, fixing bugs, and improving website accessibility using HTML, CSS, JS, SASS, and learning AEM.
- Conducting weekly meetings for the UI team across various locations.

#### Frontend Developer/Intern

Duration: 9 months

Wharf Street Strategies

- Collaborated with the development team to create user-friendly web applications using HTML, CSS, JavaScript, React.js, and Next.js.
- Tested cross-browser compatibility and resolved issues efficiently.
- Worked closely with the design team to ensure visually appealing interfaces.
- Actively learned new technologies to enhance my skillset and improve productivity.

#### Web Developer Intern

Duration: 3 months

EngineersConnect

- Collaborated with the development team to create and maintain responsive and visually appealing web applications.
- Implemented user interface designs using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and adherence to web standards.
- Maintained effective communication with team members to ensure project requirements and deadlines were met.
