PROFILE

Highly motivated and skilled Frontend Developer with a passion for creating exceptional user experiences. Armed with a solid foundation in web development and a keen eye for design, I am eager to contribute my knowledge and collaborate with a dynamic team. Beyond technical expertise, I possess a set of valuable soft skills that enhance my abilities as a developer. I am a strong communicator, able to articulate complex ideas and actively collaborate with team members.

WORK EXPERIENCE   Total experience: 1.2 years

Frontend Developer   November 2023 - Present
PnQ Technologies

Frontend Developer/Intern   Duration: 9 months
Wharf Street Strategies

- Collaborated with the development team to create responsive and user-friendly web applications using HTML, CSS, JavaScript, React.js and Next.js.
- Conducted cross-browser compatibility testing and ensured the application's responsiveness across different devices.
- Actively participated in code reviews debugging, and troubleshooting to identify and resolve issues efficiently.
- Worked closely with the design team to ensure the implementation of intuitive and visually appealing interfaces.
- Actively learned and explored new technologies and frameworks to enhance skillset and improve productivity.

Web Developer Intern   Duration: 3 months
EngineersConnect

- Collaborated with the development team to create and maintain responsive and visually appealing web applications.
- Implemented user interface designs using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and adherence to web standards.
- Maintained effective communication with team members to ensure project requirements and deadlines were met.
